

New Sales Contest

Exclusively for X4 Agents!

In the current state of our economy many organizations are looking to move away from business travel and towards alternative solutions to conduct their day-to-day business. InterCall's easy-to-use audio, web and video conferencing offer a prime solution for businesses looking to improve their bottom line without sacrificing productivity.

- Must bill a minimum of \$500 within 90 days.
- Maximum payout of \$500 will be awarded to the first 3 separate accounts that meet requirements.
- Sales contest runs from 3/1/09 - 9/30/09.
- Subject to review by X4 and only deals at qualifying retail rates are eligible.

Web and Video Spiffs—Coming Soon!

In the coming weeks, we'll be shaking things up by adding web and video conferencing into the "Deal-for-Deal" promotion. We will be giving away \$9,000 in cash prizes, so don't miss out on this extraordinary opportunity.
